### FOUR MEN KILLED

## Building in New York Collapses Dur-

ing Terrific Storm. New York, June 37.-Four workmen were killed and a score more were injuged in the collapse of a partly finished apartment house at 136th street near Broadway during a terrific wind and rain storm Monday. The building was to have been a six-story structure, only three stories of which had been erected. The men killed were at work on the third floor and when the crash came were precipitated to the cellet, tons of brick and mortar falling upok

Ambulances were summoned and the surgeons crawled over the debris to where the dying foreman, John Lawlor, lay pinned in the debris, stanched a wound on his head and tried to keep him alive by stimulants emtil he could be extricated. A priest was summoned and administered the rites of the church and Lawlor expired a few minutes later.

Through the crevices in the wreck three other bodies, those of Thomas Russ and two unidentified men, could be seen, but apparently they had been arushed to death.

# THREE HEAT PLAN AT BLUE RIBBON MEET.

As the time approaches for the "Blue Ribbon Meeting" interest in the races appears to become keener.

Secretary Walter J. Snyder is besieged with inquiries concerning the three heat plan, which has been adopted by By direction of the secretary of the "twentieth century" track. From all quarters letters are received compliof racing which insures clean, honest racing, from which keen spirited con-tests are sure to result. Some people have the impression that a winner of a heat retires from the race. This is not Instead a horse remains in a until the finish unless he should be distanced. The object of the three of a guarantee that no "laying up" of heats will be the rule. Instead of encouraging a horse to be laid up by pay-ing him, the new plan discourages it, because he must be in the money division each heat in order to win money. In other words, a horse is paid to win not to lose.

Thus it can be seen that it pays to

win, which will result in racing such as the public pay to see and demand.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afterpoon in a plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Freviously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerable for an old man, \$445 years old."
